## IMPROVE THE QUALITY OF YOUR RESEARCH TIME

### Activate your online subscription

Take advantage of online-only features and improve the quality of your research time. Search articles, authors, and terms. Two more online services to increase your productivity:

### -TOC Alerts

e-TOC alerts deliver links to new content via e-mail as soon as each issue is available online. Abstracts and free-access articles are available to subscribers and nonsubscribers; regular full-text articles are available to subscribers and subscribing institutions.

### RSS Feeds

RSS (Really Simple Syndication) is a free, easy, and automatic way to inform you when new journal articles are published. Instead of visiting a journal Web site for new articles, let RSS tell you the moment new articles are posted! Sign up today!

## THE SOCIETY FOR HEALTHCARE EPIDEMIOLOGY OF AMERICA SEEKS JOURNAL EDITOR

The Society for Healthcare Epidemiology of America is seeking candidates for the position of Editor-in-Chief for *Infection Control and Hospital Epidemiology (ICHE)*. The editor of *ICHE* will chair the editorial advisory board and be supported by the editorial office and the editorial staff; will supervise the editorial content and substance of the journal; will serve as a decision maker in situations involving manuscripts suitable for publication; will serve as the Society's liaison with the publisher, the University of Chicago Press, and assure that services are provided in a manner that promotes *ICHE's* integrity and the Society's professional reputation; will promote communication among the many individuals involved in the publication; will propose innovation in the journal's content, emphasis, and form; will represent the journal at meetings with organizations and individuals interested in *ICHE*; will attend Board of Directors, Publication Committee, and Editorial Board meetings as necessary, and provide reports on the progress and activities of the journal.

The candidate will begin his or her term on January 1, 2007 and will serve for a term of five years. At the end of the five-year term, the editor may be reappointed for an additional five-year term without a competitive search.

---

To apply, please forward a letter of application stating your interest and qualifications, including personal publication experience, editorial experience, special training, computer technology, commitment of support from your institution, and membership in SHEA. Please include your current curriculum vitae. Applications should be sent by July 1, 2006, to David Pegues, MD, SHEA Chair of the Editor Search Taskforce, at 66 Canal Center Plaza, Suite 600, Alexandria, VA 22314. For further information regarding the position and compensation, please contact Annette Mucha, SHEA Executive Director at (703) 684-1006 or [sheahq@shea-online.org](mailto:sheahq@shea-online.org).
