

INFORMATION FOR CONTRIBUTORS

The editors are pleased to receive manuscripts for publication in *Africa Bibliography*, *Research and Documentation*. For detailed submission instructions, see cambridge.org/core/journals/africa-bibliography-research-and-documentation/information/instructions-contributors.

Africa Bibliography, *Research and Documentation* brings together essay content from *Africa Bibliography*, the authoritative guide to works in African studies published under the auspices of the International African Institute annually since 1984, with the former *African Research & Documentation*, the journal of SCOLMA (the UK Libraries and Archives Group on Africa) published since 1973.

SCOLMA (the UK Libraries & Archives Group on Africa) was founded in 1962 as a forum for librarians, archivists and others concerned with African Studies materials in the United Kingdom. In addition to publishing *Africa Bibliography*, *Research and Documentation* in collaboration with the IAI, SCOLMA organizes conferences and seminars, networks with colleagues in Africa, Europe and the USA and acts as an expert body providing specialist advice.

Africa Bibliography, *Research and Documentation* is provided as part of a subscription to the *Africa Bibliography*. From 2022, the bibliography is published as an online database only. The online consolidated database version of the bibliography brings together every record collected since its foundation, producing a rich and interactive resource for all scholars interested in the study of Africa, with some 6,000-8,000 entries added annually.

Manuscripts should not exceed 8,000 words (excluding bibliography and notes). Manuscripts should be sent via email as a Word file to the editor Terry Barringer: abrd@internationalafricaninstitute.org

Africa Bibliography Research and Documentation is published by Cambridge University Press for the International African Institute.
