These *Archaeological Reports* are published by the Hellenic Society and the British School at Athens for their subscribers. They are also offered for sale to the public (obtainable from The Editor (Reports), Hellenic Society, 31-34 Gordon Square, WC1H 0PP) at the price of 62½p, postage paid. 'Archaeology in Greece' is an annual feature, and the occasional reports on work in other parts of the Greek world include Western Asia Minor (this year), South Italy and Sicily, Cyprus, the Black Sea, etc. In addition there are regular bulletins illustrating new acquisitions by museums in Great Britain.

The picture on the cover is of a fresco of lilies and swallows, from the Greek excavations at Akrotiri on Thera. See p. 22.
