Wilfred Cantwell Smith

WHAT IS SCRIPTURE? *A Comparative Approach*

Examining the notion of scripture in the world's major religious traditions, this creative proposal is valuable not only for showing what it means to hold a text as sacred but also for the light it sheds on what it means to be human.

"It is a remarkable achievement."

PRAGMATISM AND PLURALISM

John Dewey's Significance for Theology

Sonesson addresses theological pluralism by developing the work of American philosopher John Dewey to show how a plurality of conflicting religious interests inevitably emerges in human life and how critical thinking can reconstruct them.

Garth Baker-Fletcher

SOMEBODYNESS *Martin Luther King, Jr., and the Theory of Dignity*

Baker-Fletcher probes the shape of King's focal notion of human dignity, then evaluates the potential and weaknesses of "somebodyness" for a contemporary theory of dignity and for dealing with sexism, denigration of black males, and gang violence.

Elisabeth Schüssler Fiorenza

REVELATION *Vision of a Just World*

The author charts a new and provocative course in the interpretation of the book of Revelation. She recognizes not only the ideological distortions but also the socio-political location of the Apocalypse. In this way she opens to the reader the world of vision of this powerful New Testament book.

Jesus and the Last Days *The Interpretation of the Olivet Discourse*

George R. Beasley-Murray
Cloth, \$29.95

What was Jesus' understanding of the last days? Anyone wrestling with this query must brave the tempest of controversy surrounding the interpretation of Mark 13—a passage on which it seems every New Testament scholar of the last century has felt compelled to comment. From Strauss to Schniewind, Perrin to Drewermann, rabbit trails to roadways, Beasley-Murray charts the complex and sometimes confusing paths of interpretation.

us plainly where a full range of cognate sources may be found, and how comparative analysis might proceed." James H. Charlesworth of Princeton Theological Seminary adds that Evans's book is "more than a map to terra incognita, it is a helpful companion for all who study Judaism and Christianity before the establishment of the Holy Roman Empire."

Noncanonical Writings and New Testament Interpretation

Craig A. Evans
Cloth, \$19.95

Sound New Testament interpretation depends on familiarity with and understanding of ancient primary sources. In what is sure to become a standard resource for students of NT interpretation, Professor Evans pulls together the essentials of date, language, text and translations, and general bibliography.

The Reverend Dr. Bruce Chilton of Bard College comments: "The publication of Professor Evans's book is an event of first importance for advanced students of the New Testament everywhere.... [This book] shows

today, this axiom was no less true in the ancient Near Eastern world. In *Religion and Culture in Ancient Israel*, Dearman explores this dynamic interplay in the religious practices of Israel. For any student of the living religion of Israel and the culture that it shaped (and by which it was shaped), Dearman offers a cogent and thought-provoking inquiry

Josephus and the New Testament

Steve Mason
Paper, \$9.95

"There can be no doubt that the best aid for understanding the background of the New Testament is its contemporary, Josephus; and there can now be no doubt that the most careful, most com-

Mark 'at every level,' but primarily from that of 'the evangelist himself'—how he understood the nature of 'the good news about Jesus Christ.'"

Hooker's *Gospel According to Saint Mark* heralds the reappearance of Black's (formerly Harper's) New Testament Commentary in this country. As the first in a series of replacement or revised volumes—including J. D. G. Dunn, *Galatians*, and C. K. Barrett, *Romans* [rev.]—*Mark* signals a welcome new standard in New Testament commentaries.
