Special Announcement

WORLD ORGANISATION OF SYSTEMS AND CYBERNETICS

8TH INTERNATIONAL CONGRESS OF CYBERNETICS AND SYSTEMS

June 11–15, 1990
at
Hunter College
City University of New York
New York (USA)

This triennial conference is supported by many international groups concerned with management, the sciences, computers, and technology systems.

The 1990 Congress is the eighth in the series, previous events having been held in London (1969), Oxford (1972), Bucharest (1975), Amsterdam (1878), Mexico City (1981), Paris (1984) and London (1987).

The Congress will provide a forum for the presentation and discussion of current research. Several specialized sections will focus on computer science, artificial intelligence, cognitive science, psychocybernetics and sociocybernetics. Suggestions for other relevant topics are welcome.

Participants who wish to organize a symposium or a section, are requested to submit a proposal (sponsor, subject, potential participants, very short abstracts) as soon as possible, but not later than **September 1989**. All submissions and correspondence regarding this conference should be addressed to:

Prof. Constantin V. Negoita
Congress Chairman
