

CORRIGENDA

- p. 65 (underline to Fig. 2): Karanovo is marked by 26A not 25.
- p. 71, n. 1. This has of course been most handsomely acknowledged in print by Prof. Piggott in *L'Europe à la fin de l'âge de la pierre* (Czechoslovak Academy of Sciences, 1961), p. 568; also in *The West Kennet Long Barrow* (H.M.S.O., 1962), p. 32.
