The Origins of Soviet-American Diplomacy

By **ROBERT PAUL BROWDER**. When Litvinov arrived in Washington in 1933 after the sixteen years of diplomatic silence between his country and the U. S., he carried with him his commission as official representative to the U. S., dated 1918 and signed by Lenin and Chicherin, as evidence of the long-standing desire of the Soviet Union for recognition. This is the absorbing narrative of the events which led up to this dramatic arrival, heralded with such high hopes and good will, and of the collapse into discord and disillusionment which followed.

356 pages, \$5.00

Oil in the Soviet Union

By **HEINRICH HASSMANN**. Translated from the German by Alfred M. Leeston. One of the most perplexing questions raised in any appraisal of Russia's economic and military strength concerns the oil industry. Dr. Hassmann carefully analyzes the industry's history, its major regions (including those for oil shale and gas), and its various problems. The *Bulletin of the American Association of Petroleum Geologists* called the German edition "of unquestionable value." Dr. Leeston has added much new material; and E. DeGolyer, one of America's foremost petroleum geologists, has written the foreword.

LAW AND SOCIAL CHANGE IN THE USSR

JOHN N. HAZARD—Relates the Soviet system of law as an entirety to the power process. . . .
“A knowledgeable and temperately written book . . . makes skilful use of summaries of cases from Soviet law reports. . . . These help to give life to the dry bones and add greatly to the book's interest and usefulness.”—*The Economist*

A Window on Red Square

by Frank Rounds Jr. has received widespread critical acclaim:

“Vivid, direct, and honest.”

Philip E. Mosely, N. Y. Herald Tribune

“At the outrageous rate of four rubles to the dollar Rounds offers a bargain that Intourist can't beat.”

Martin Ebon, United Nations World

“*A Window on Red Square* will tell you more about what life in Russia is really like than anything else I have read on the subject.”

Leigh White, Saturday Review

“Exceptionally fresh and perceptive.”

Foreign Affairs

“Heartily recommended . . . Rounds understood more than the present and the surface.”

Harper's

“Not only the latest and most timely eye-witness account of happenings in Moscow, it is one of the most brilliant and incisive psychological studies of contemporary Communism that I have read. I would not have missed this book for ten times its cost.”
