## SOULS AT STAKE

by

Francis J. Ripley

and

F. S. Mitchell

Written by a priest and a layman, two internationally outstanding exponents of Catholic Action, this unique book deals with the work of the lay apostolate in all its organized forms.

'This is a book I have waited for these twenty years. It lights up the whole field of contemporary pastoral theology. Priests will want to get it and meditate upon its contents; seminarians will devour it; and lay persons, men and women and youth, even high school pupils, will read and reread it, and in doing so they will hear in numerous cases the Saviour's invitation. The authors have built to themselves an indestructible monument, transmitting over the ages in their own personalities the call to save souls pronounced by the Saviour in the days of his mortality.' *Homiletic & Pastoral Review*.
