

## ERRATUM

### **Epistemic inclination and factualization: a synchronic and diachronic study on the semantic gradience of factuality – ERRATUM**

VITTORIO TANTUCCI

*Lancaster University*

doi: <http://dx.doi.org/10.1017/langcog.2014.34>, Published by Cambridge University Press 10 November 2014.

The published article Tantucci (2014) contains the following errors.

On p.385 of volume 7 (3), in the penultimate line of the second paragraph: “sevemteenth” should read “seventeenth”.

Also on p.385 in the line between quotes (5) and (6): “a century it is...” should read “a century later, it is...”

The press apologises unreservedly to Vittorio Tantucci and the readers for these errors.
