

## General notes

### THE BELGIAN ENT SOCIETY

FOR its annual meeting, the Belgian E.N.T. Society organizes, under the chairmanship of Dr. J. VANDERVEGEN, a two-day courses, on the 8TH and 9TH JUNE 1974, about:

#### SURGICAL APPROACH OF THE PETROUS BONE

Lectures and Panel discussions will beheld by: U. Fisch, Zürich; Y. Guerrier, Montpellier; C. C. Hansen, Odense; J. Marquet, Antwerpen; A. Mielke, Homberg; J. L. Pulec, Los Angeles; H. Rudert, Köln; P. Selosse, Antwerpen; Sterkers, Paris.

There will be a fee of 2.500 BF.

For further information please write to Dr. W. Ampe, St-Janstraat, 13, B—8000 Brugge.

### THE FOURTH BRITISH ACADEMIC CONFERENCE IN OTOLARYNGOLOGY

THIS Meeting will be held in the Queen Elizabeth Hall, Royal Festival Hall, London, England, from Sunday, 20th July to Friday, 25th July, 1975.

Honorary Secretary,  
Andrew Morrison, F.R.C.S.,  
38 Devonshire Street,  
London, W.1.

### RESEARCH FELLOWSHIPS IN OTOLARYNGOLOGY

THE Department of Otolaryngology (Chairman, Professor D. B. Bryce), University of Toronto, Canada, offers two Research Fellowships for the study of problems related to Laryngeal and Pharyngeal Cancer and Reconstructive Head and Neck Surgery. One Fellowship is available for a one-year period, starting 1 July 1974. The other is for a one-year period (but preferably two) starting 1 January 1975. Candidates should be of middle/senior registrar grade and have passed a final fellowship examination.

Salary is dependent upon qualifications and experience. Apply in writing, naming three referees, to: Dr. J. M. Fredrickson, Room 7310, Medical Sciences Building, University of Toronto, Department of Otolaryngology, 1 King's College Circle, Toronto, Ontario, Canada M5S 1A8.

**General notes**  
**COURSE FOR POSTGRADUATE DIPLOMA**  
**IN AUDIOLOGY**

A FULL-TIME one-year Course in Audiology for a Post Graduate Diploma at the University of Melbourne will commence in February 1975.

The course of instruction in audiology will be conducted at the University of Melbourne in the Department of Otolaryngology and in close association with clinics at the Royal Victorian Eye and Ear Hospital and the Royal Children's Hospital, Melbourne.

It will consist of a comprehensive series of lectures, demonstrations, seminars and tutorials on audiology, and the physical and biological sciences associated with it. Instruction in the basic sciences will cover acoustics anatomy, biophysics, linguistics, physiology and psychology. Instruction in audiology will cover audiometry, auditory training, communication disorders, general audiology, geriatric audiology, hearing aids, industrial audiology, otolaryngology, paediatric audiology, and parent guidance.

A syllabus and further details may be obtained from:

The Secretary, Audiology,  
The Department of Otolaryngology,  
University of Melbourne,  
Parkville 3052,  
Victoria, Australia.

Applications for this course close on 12th December, 1974

**THE DEPARTMENT OF OTO-RHINO-LARYNGOLOGY**  
**ODENSE UNIVERSITY HOSPITAL AND INSTITUTE OF ANATOMY**  
**UNIVERSITY OF ODENSE, DENMARK**

WE have pleasure in announcing a Course in Rhinoplasty and an International Meeting of Rhinology.

The Course, directed by P. Stoksted, M.D., Odense and K. Hinderer, M.D., Pittsburgh, will be held from the 18 to 23 August 1974, and will cover all aspects of rhinoplasty. It is mainly intended as a preliminary course and emphasis will be laid upon surgical demonstrations and practical training. For this reason the number of pupils will be limited to forty, so early application is advisable. Lectures will be given by a number of internationally known rhinologists on most subjects of interest to the student rhinologist.

Fee: \$400.-

---

The Meeting will be held as a continuation of the course from the 23 to 25 August 1974, and will cover all aspects of rhinology. Lectures will be delivered by invited guests and papers presented by participants as far as is possible.

Fee: \$70.-

For information write to: P. Stoksted, M.D., E.N.T. Department, Odense University Hospital, DK-5000 Odense, Denmark.

## General notes

### REGISTRAR'S COMPETITION

#### THE FORTH BRITISH ACADEMIC CONFERENCE IN OTOLARYNGOLOGY

Two Instructional Sessions will be given by Registrars. These will be decided by competition among trainees in our speciality who have been E.N.T. Senior Registrars or Registrars in the National Health Service or have held equivalent posts in Iceland, at least until 1 January 1974.

Entries, which should be based on original work by the competitor, must be received by the Secretary of the Academic Committee by 1 July, 1974.

Any requests for further information should be sent to:

Mr. Ellis Douek,  
Hon. Secretary Academic Committee,  
Guy's Hospital,  
London, SE1.

### UNIVERSITY OF BIRMINGHAM

#### COURSE IN ADVANCED NASAL SURGERY

22 TO 26 JULY 1974

THE course will be held at the Birmingham and Midland Ear and Throat Hospital and the Queen Elizabeth Hospital, Birmingham.

The course will be confined to trans-sphenoidal hypophysectomy, functional rhinoplasty as evolved by Cottle, and all aspects of cosmetic rhinoplasty. The emphasis will be on basic principles and the course is intended for consultants and senior registrars. It will include lectures, televised operations and cadaver dissections. The principal guest lecturers will be Mr. J. Angell-James (Bristol) and Professor Stoksted (Denmark, President of the European Rhinological Society).

Registration is restricted to twelve.

Course fee £60.0.

Applications and enquiries should be addressed to Professor A. G. W. Whitfield, Director, Board of Graduate Studies, The Medical School, Birmingham B15 2TJ.

### ANNUAL OTOLARYNGOLOGIC ASSEMBLY

26 OCTOBER TO 1 NOVEMBER 1974

THE ANNUAL OTOLARYNGOLOGIC ASSEMBLY OF 1974 will be held 26 October to 1 November 1974, in the Eye and Ear Infirmary of the University of Illinois Hospital. The Department of Otolaryngology of the Abraham Lincoln School of Medicine, University of Illinois at the Medical Center, offers a condensed basic and clinical program for practicing otolaryngologists under the direction of Emanuel M. Skolnik, M.D., with Burton J. Soboroff, M.D., as co-chairman.

This program is designed to bring to specialists current information in medical and surgical otorhinolaryngology.

Interested otolaryngologists should direct their inquiries to the mailing address: OTOLARYNGOLOGY, P.O. Box 6998, Chicago, Illinois 60680.

## General notes

UNIVERSITY OF MANCHESTER  
DEPARTMENT OF AUDIOLOGY AND EDUCATION OF THE  
Course for Otolologists and Neurologists in the Diagnosis and Management of  
Hearing and Speech Disorders in Children, and Hearing and Balance Disorders  
in Adults.

NON-RESIDENTIAL COURSE  
9 TO 13 SEPTEMBER 1974

LECTURES and clinical demonstrations will be given of testing procedures with all age groups together with interpretation of results. Consideration will also be given to the management of young deaf children and their problems of speech and language and problems of childhood. Particular emphasis will be placed on those disorders which are not especially amenable to surgical treatment.

The lecturers will be drawn from the Department's own staff, together with a number of distinguished guest lecturers. Fee: £50.

Further details available from:

Professor I. G. Taylor, M.D., M.R.C.P., D.F.O.  
Department of Audiology,  
The University,  
Manchester M13 9PL.

Approved under the Advanced Post-Graduate Training Scheme.

## WORKSHOP ON THE SURGERY OF CHRONIC EAR DISEASE

THE Department of Otolaryngology of the University of Illinois, Abraham Lincoln School of Medicine, is pleased to announce a Workshop on the Surgery of Chronic Ear Disease to be held 2 to 4 October, 1974.

The workshop will deal with canal preservation in surgery for cholesteatoma. The technique of canal preservation will be taught by closed circuit surgical color television and temporal bone dissection. Seminars will be held to discuss the difficulties and complications of these techniques.

Under the direction of David F. Austin, M.D., the faculty is composed of an international group of clinicians.

Registration includes all materials, lunches and transportation about the city, and is limited to 50.

Interested registrants may write directly to the-

Department of Otolaryngology,  
University of Illinois Hospital Eye and Ear Infirmary,  
1855 West Taylor Street,  
Chicago, Illinois 60612.

## General notes

THE SECOND  
INTERNATIONAL COURSE ON OTONEUROLOGY  
IN FRENCH AND ENGLISH
