TEMPORAL BONE SURGICAL DISSECTION COURSE

The Los Angeles Foundation of Otology announces a two-week Temporal Bone Surgical Dissection Course demonstrating the multiple approaches to the structures of the temporal bone as currently used by the members of the Otologic Medical Group, Inc.

The course members will be divided each day to observe televised surgery that will correlate with the dissections of the day. Evenings will be devoted to lectures and motion picture demonstrations.

The instructors will dissect in the temporal bone laboratory over closed circuit television and each student will be supervised as the various procedures and approaches are performed.

Twenty otolaryngologists and residents will be accepted in each course. Courses will be presented 18 February to March 2, 11-23 March, 15-27 April, 17-29 June, and 7-19 October 1973. The tuition for otolaryngologists is \$1,000 and for residents \$750 in United States currency.

For further information address communications to Doctor Jack L. Pulec, Los Angeles Foundation of Otology, 2130 West Third Street, Los Angeles, California 90057.

BRITISH JOURNAL OF AUDIOLOGY

The title "SOUND" is to be changed and Volume 7 (1973) will be printed under the new name "BRITISH JOURNAL OF AUDIOLOGY". The new title more aptly describes the scope of scientific and technical papers published. It is our intention to include an increasing number of contributions.

The November 1972 issue (Vol. 6, No. 4), will be the last published under the title "SOUND" and will contain a cumulative index covering volumes 1 to 6.

WE ASK YOU TO NOTE THIS CHANGE and request that you use the title "BRITISH JOURNAL OF AUDIOLOGY (FORMERLY 'SOUND')" when publishing abstracts and reviews.

CENTENNIAL CONFERENCE ON LARYNGEAL CANCER

26-31 MAY 1974

TORONTO, CANADA

The Centennial Conference on Laryngeal Cancer will be held in Toronto, Canada, 26-31 May 1974.

The scientific programme will feature internationally renowned authorities in surgery, radiotherapy, pathology, and will encompass the knowledge accumulated on laryngeal cancer since the first laryngectomy a century ago.

The aim of the Conference is to resolve the differences of opinion as to the treatment of cancer of the larynx, to establish guidelines for research and to contribute to better methods of early diagnosis of the disease.

Registration is limited and the fee is \$200.00. For further information, please write to Professor D. P. Bryce, Secretary General, 92 College Street, Toronto 2, Ontario, Canada.

II BARCELONA E.N.T. CONVENTION 1973

VIII INTERNATIONAL COURSE OF ADVANCES IN OTORHINOLARYNGOLOGY

The Catalan Otorhinolaryngological Society will be organizing the VIII International Course of Advances in Otorhinolaryngology which takes place on the 26, 27 and 28 November 1973.

As in previous years we are fortunate in being able to count on the cooperation of various foreign and national professors: Professor F. Wustrow (Cologne), Professor D. Plester (Tübingen), Professor J. Richard (Paris), Professor Rabischong (Montpellier), Professor C. Gavilán (Madrid), and Professor J. M^a. Montserrat (Barcelona).

A number of different monographic courses have been programmed for the three days before and after the International Course of Advances in Otorhinolaryngology, and these will be held at the different E.N.T. Service Centres in Barcelona, and will make up the E.N.T. Convention.

For further information and registration forms, write to the Secretary of the Catalan E.N.T. Society, Dr. M. Colls, Ronda General Mitre 132, 5^o.-BARCELONA 6.

XII TURKISH NATIONAL OTOLARYNGOLOGICAL CONGRESS
