The American Journal of Law & Medicine (AJLM) is North America's leading health law journal devoted exclusively to the analysis of issues at the nexus of law and medicine. Its broad editorial scope includes health law and policy; updates on significant legal decisions and developments affecting health care; legal, ethical and economic aspects of medical practice, research and education; book reviews; and much more. The editors invite the submission of original manuscripts on medicolegal topics. For details, see the inside back cover.

**The American Journal of Law & Medicine is published by Cambridge University Press on behalf of the Trustees of Boston University and the American Society of Law, Medicine & Ethics.**
