JOURNALS

International Journal of Law in Context

A global forum
for interdisciplinary
legal studies

The *International Journal of Law in Context* now features an exciting new section entitled 'Law in other contexts'. This section is dedicated to making available specially commissioned reports of socio-legal research in places where English is not the first language. In this way the journal hopes to bring attention to work which may not be easily accessible to those without knowledge of the relevant language (and culture).

journals.cambridge.org/ijlc

The companion journal to the Law in Context book series.

Law and History Review

Published for the American Society for Legal History

Editor

Elizabeth R. Dale, *University of Florida, USA*

Law and History Review (LHR), America's leading legal history journal, encompasses American, European, and ancient legal history issues. The journal's purpose is to further research in the fields of the social history of law and the history of legal ideas and institutions. *LHR* features articles, essays, commentaries by international authorities, and reviews of important books on legal history.
