

THEATRE RESEARCH INTERNATIONAL

VOLUME V NUMBER 2 SPRING 1980

**Oxford University Press in association with the
International Federation for Theatre Research**

new from Manchester

THE GARRICK STAGE THEATRES AND AUDIENCE IN THE EIGHTEENTH CENTURY **Allardyce Nicoll** David Garrick was not only one of our greatest actors, he made many important and lasting contributions to the English stage. In this, his last book, Allardyce Nicoll uses his wide-ranging knowledge of theatre history and practice to paint a fresh and richly informative picture of the English stage as it was in Garrick's time. Containing as it does so many new and striking insights from an undisputed master of his field, *The Garrick Stage* must be essential reading for anyone interested in the history of the English theatre. £14.50 138 black and white plates April

Skelton MAGNIFICENCE **Paula Neuss** (editor) This is the first critical edition of *Magnificence* for over seventy years. It is Skelton's only surviving play, and the earliest morality play to have a political rather than religious emphasis. Paula Neuss provides an account of Skelton's life and works and discusses the play's literary and dramatic qualities. £11.00 *The Revels plays*

Peele THE OLD WIVES TALE **Patricia Binnie** (editor) In her introduction to this picturesque Elizabethan comedy Patricia Binnie explores Peele's use of specific motifs and methods of fairytale-telling, and suggests that his fanciful tale reveals to the audience a world of harmony and healing. £11.00 approx May *The Revels Plays*

ANTIC FABLES PATTERNS OF EVASION IN SHAKESPEARE'S COMEDIES **A P Riemer** This study of Shakespeare's comedies examines their curious treatment of those moral, philosophical and religious issues which criticism has consistently isolated as representing Shakespeare's comic themes. Each chapter deals with a specific aspect of the comedies, and the focus of the study is an extended examination of *The Winter's Tale*. £12.50 approx June

THE CHESTER RECORDS **L M Clopper** (editor) *The Chester records* provide fascinating documentary evidence of dramatic and ceremonial activities from medieval times to the mid-seventeenth century. The introduction focuses on the complex relationships of the manuscripts and the volume also contains translations, notes, full glossaries and an index. £35.00 *Records of early English drama*

des Bibliothèques et Musées des Arts du Spectacle

Theatre Research International is the continuation of *Theatre Research/Recherches Théâtrales*. The change of title marks the assumption by Oxford University Press of responsibility for publication. The new title also indicates that the association with the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale, which founded the journal, will remain. Bilingualism has not been entirely abandoned: contributions appear only in English, but articles are provided with *résumés* in French. The field continues to be the historical, critical and theoretical study and documentation of drama, conceived as the art of the theatre.

New readers might like to learn that the motif on our cover was designed by Josef Svoboda for *Theatre Research/Recherches Théâtrales* in 1966 and presented to the International Federation for Theatre Research/Fédération Internationale pour la Recherche Théâtrale.

Grateful acknowledgement of financial support is made to the Universities of Birmingham, Bristol, Glasgow, Lancaster, Liverpool, Manchester, Sussex, the University College of Swansea, and to the Toneelmuseum, Amsterdam.

MSS and books for review should be sent to the Assistant Editor, Janice McCallum, Department of Drama, University of Glasgow, Glasgow G12, Scotland, U.K.

Theatre Research International is published three times a year, in January, May and October at a price of £12.00 (U.K. £10.00, U.S.A. \$28.00) p.a., with single issues at £4.50 (U.S.A. \$11.00). All dispatches post free (by accelerated surface post to the U.S.A.). Orders should be placed with a bookseller or sent direct to Journals Subscription Department, Oxford University Press, Neasden Lane, London NW10 0DD.
