LEARNING. LEADERSHIP. LIFESTYLE.

It's all right here.

Lakeridge Health

has everything you seek –
in your career and beyond. As one of

Ontario's largest hospital networks and the dedicated cancer centre for the Central East LHIN, we foster a culture that promotes career advancement, learning opportunities and great quality of life. Through our four hospital sites, and leading cancer, nephrology and mental health and addictions programs, we provide a broad range of healthcare services to a diverse population, with a focus on achieving excellence – every moment, every day.

Neurologists

Located just 30 minutes east of Toronto, in beautiful Durham Region, Lakeridge Health (LH) is looking for two (2) Neurologists to participate in the development and evolution of a full Neurology service model, with a focus on the provision of services to the following areas: Neurology consultation services to LH Oshawa; Acute Care areas; Critical Care Unit; Inpatient Rehabilitation Unit; Integrated Stroke Unit; Stroke Clinic; and Neurology emergency management consultation services. With the planned expansion of services, including ambulatory/neurodiagnostics, there will also be research and teaching opportunities available. Certification in Neurology with the Royal College of Physicians and Surgeons of Canada is essential. EEG certification would be an asset.

For more information about us, please visit our website at www.lakeridgehealth.on.ca. Please send your current CV to mdcv@lakeridgehealth.on.ca or contact Sandy Bastarache, Physician Services Specialist, at 905-576-8711 x3720.

LH will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Medical Affairs Office.
