

## ERRATUM

### Task-priority motion planning of underactuated systems: an endogenous configuration space approach – ERRATUM

Adam Ratajczak, Joanna Karpińska and Krzysztof Tchoń

*Institute of Computer Engineering, Control and Robotics, Wrocław University of Technology,  
ul. Janiszewskiego 11/17, 50–372 Wrocław, Poland.*

doi:10.1017/S0263574709990737, Published by Cambridge University Press, 11 December 2009.

Figures 2 and 5 were incorrectly reproduced in the above publication (Ratajczak *et al.* 2009). The figures are reproduced below in their correct form.

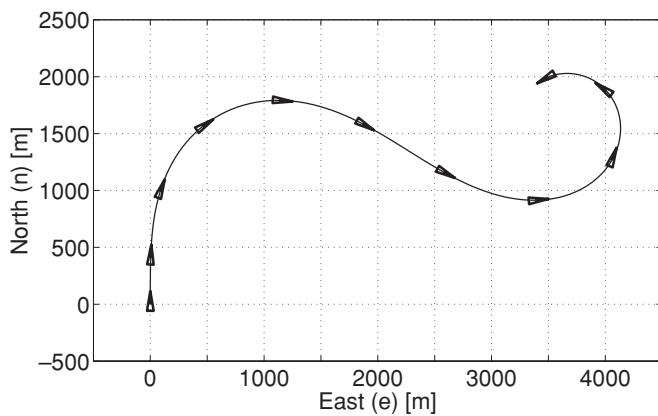

Fig. 2. Task-priority algorithm (both  $S_1$  and  $S_2$ ).

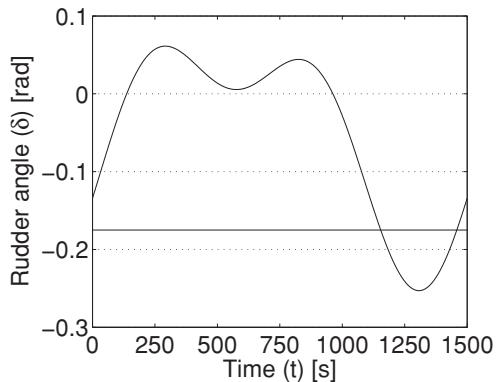

Fig. 5. Single-task algorithm (only  $S_1$ ).
