September Meeting : Madagascar and Lemurs

Madagascar will be the subject of a meeting on September 29th in the Meeting Rooms of the Zoological Society, Regent's Park, at 6.30 pm please note later starting time than usual. Dr R. D. Martin, Dr Alison Jolly and A. J. Pollock will be the speakers and show slides, and it is hoped to show also a new film on Madagascar and the lemurs by Jean-Jacques Petter. As usual there will be a wine and cheese buffet supper; tickets for the meeting only (free) and for the meeting with supper (£2 each) are obtainable from the FPS office; please send an addressed envelope.

Football for Endangered Species

As part of the 150th anniversary celebrations of the Zoological Society of London, the Sports and Social Club organised a football match with a Showbiz XI on April 4th, and presented £225 of the proceeds to the Oryx 100% Fund. FPS is immensely grateful to the Club and to Mr L. Ellis who organised this very successful event. At the Club's request the money has gone to the Charles Darwin Research Station for the Galapagos Islands' endangered species programme.

New Film

The Last Stronghold, a new film about tropical rain forests, produced by WWF Malaysia, showing the astonishing variety of animal and plant life in the jungle, has been added to the Film Library. For hiring details see previous page.
