Fruitful Confessions

By

Rev. A. SIMON, O. M. I.

This book of practical exhortations is designed to aid the priest to help his fellow religious to find spiritual perfection in confession. How much more valuable is confession to religious when they know that their confessor is taking an interest in their problems! And how much more fruitful when they receive short advice and thoughts from their confessor taken from the liturgy of the coming Sunday or perhaps from a feast celebrated during the week.

Fruitful Confessions offers the confessor the inspiration to become what he should always strive to be—a leader and spiritual director of his penitents. 24/-
