NOTES ON CONTRIBUTORS

AUGUSTINE KUTUTERA ABASI heads the Centre for the Domestic Cultures of the Upper Region of Ghana at Navrongo-Tamale, in the new University of Development Studies in Tamale. His doctoral thesis on funeral practices among the Kasena of north-eastern Ghana was completed at Leuven in 1993.

AYÉCHORO K. AKIBODÉ is Associate Professor in the Department of Geography, University of Bénin, Lomé, where he teaches rural geography, rural development in Africa and the human dimension of global climate change.

KOJO SEBASTIAN AMANOR is a research fellow at the Institute of African Studies, University of Ghana, Legon, where he is also co-ordinator of the Development and Women's Studies section. His doctoral thesis was from the University of London on the history of Krobo agriculture.

KATHERINE HOMEWOOD teaches in the Department of Anthropology, University College London, on the anthropology and ecology of pastoralism and man-animal interactions. In 1991 Cambridge University Press published her book *Maasailand Ecology* (co-authored with W. A. Rodgers).

CAROLA LENTZ has conducted research in Ecuador and Ghana on labour migration and ethnic identity, and has taught in the Department of Anthropology at the Free University of Berlin. She is completing a book on the history of the creation of ethnicities in north-western Ghana.
