# *Blackburn* **AIRCRAFT**

*The  
Blackburn Company's  
designs are based on straight  
forward engineering practice  
& embodying the most advanced  
scientific accomplishments  
Steel continues to monopolise  
an ever increasing position  
in their designs* ❧ ❧

*17 years reputation for re-  
liability stands behind every  
machine, part or component,  
leaving their works* ❧
