Canadian Journal of Philosophy

Dear Subscriber:

The **C.J.P.** is bringing its volume into line with the calendar year. This will be achieved by publishing Volume V in the second half of 1975. Volume V, nos. 1-4 will be dated September, October, November and December 1975. Nos. 1 & 2 will appear in September 1975 and nos. 3 & 4 in December 1975. The March 1976 issue will be Volume VI, no. 1; we will thereafter resume our normal publishing schedule.

Since its inception in September 1971, the **C.J.P.** has managed, by increasing circulation and generous outside support, to maintain the same level of subscription charges while expanding to a journal of 750-800 pages per volume. However, the steadily increasing costs of journal publication have finally caught up with us. We have reluctantly come to the conclusion that we must increase subscription prices for Volume VI. Effective 1. 1. 1976, the subscription rates will be:

<i>Institutions:</i>	\$17.00 (Canadian) \$19.00 (Non-Canadian)
<i>Individuals:</i>	\$12.00
<i>Students:</i>	\$ 7.00

Effective **1. 1. 1976**, the cost of back issues and single copies will be \$5.00.

Philosophical Studies

An International Journal for Philosophy in the Analytic Tradition

Editor: Keith Lehrer, University of Arizona, U.S.A.

Editorial Assistant: Vincent Lazara, University of Arizona, U.S.A.

Board of Consulting Editors: David Braybrooke, Joseph L. Camp, Jr., L. J. Cohen, James Cornman, Alan Donagan, Keith Donnellan, Mary Hesse, Risto Hilpinen, R. M. Martin, Terence Parsons, Günther Patzig, A. M. Quinton, Jerome Schneewind, Robert Sleigh, Jr., Judith Thomson.

Philosophical Studies fills the urgent and growing need for space devoted to quick publication of timely contributions to analytic philosophy. It emphasizes the rapid exchange of notes and criticism. To provide balance and scope the editors will, on occasion, solicit contributions, comments and elucidations from philosophers whose voices might not otherwise be heard when the spotlight of discussion points in their direction.

Philosophical Studies welcomes papers in all areas of analytic philosophy. It recognizes that there are divergent 'tendencies' within the analytic movement, and requires only that contributions represent an application of methods of analysis and clarification of meaning. Papers the content of which falls primarily within the scope of the natural, social or psychological disciplines will be considered only if this content is subordinated to the purposes of philosophical analysis.

Subscription price per volume of six issues Dfl. 95,- / US \$38.00, plus Dfl. 20,- / US \$8.00 for postage and handling. Two volumes will be published yearly. Personal subscription price on request.

La Canadian Association for Publishing in Philosophy annonce qu'elle a entrepris la publication, en plus du **Canadian Journal of Philosophy**, d'une série de monographies,

**LA PHILOSOPHIE AU CANADA
PHILOSOPHY IN CANADA**

La série comprendra des oeuvres dans tous les domaines de la philosophie, en anglais ou en français. Elle donnera la préférence à des oeuvres canadiennes, et, au moins au commencement, aux monographies d'une longueur de 15,000 à 35,000 mots — trop longues pour être des articles de revue, trop courtes pour être des livres de taille normale. Les manuscrits, une fois rédigés, doivent présenter les qualités requises pour obtenir une subvention du Conseil Canadien de Recherche sur les Humanités. Ils devront premièrement être envoyés à :

**David Braybrooke
Department of Philosophy
Dalhousie University
Halifax, Nouvelle-Ecosse,**

qui aura qualité de directeur de la série pour la C.A.P.P., avec la collaboration d'autres membres de son département.

Les premières monographies à être publiées seront

- (1) Charles B. Daniels et (2) George Englebretsen
(University of Victoria), (Bishop's University)
The Evaluation of Ethical Theories *Speaking of Persons*,

suivies de près — nous l'espérons — de deux monographies écrites par des auteurs francophones.

The Canadian Association for Publishing in Philosophy wishes to announce that it is undertaking to publish, in addition to the **Canadian Journal of Philosophy**, a monograph series,

**PHILOSOPHY IN CANADA
LA PHILOSOPHIE AU CANADA**

which will include works in any field of philosophy, in French or English. Priority will be given to Canadian material, all else being equal; and at least initially to monographs of between 15,000 words and 35,000 — too long for journal articles, too short to be books of ordinary size. Manuscripts will have to qualify after editing for subventions from the Humanities Research Council of Canada. They should be submitted in the first instance to:

**David Braybrooke
Department of Philosophy
Dalhousie University
Halifax, Nova Scotia,**

who with the collaboration of other members of his department will edit the series on behalf of the C.A.P.P.

The first monographs to be published will be

- (1) Charles B. Daniels and (2) George Englebretsen
(University of Victoria), (Bishop's University),
The Evaluation of Ethical Theories *Speaking of Persons*,

to be followed shortly, it is hoped, by two monographs by francophone authors.
