

Corrigendum

Flour fortification with iron has no impact on anaemia in urban Brazilian children – Corrigendum

Maria CF Assunção, Iná S Santos, Alúcio JD Barros, Denise P Gigante and Cesar G Victora

First published online 9 August 2012

doi:10.1017/S1368980012003047, Published online by Cambridge University Press 15 Jun 2012

In the title of Table 4, instead of:

Table 4 Daily intake of iron per child (*n* 744*). Pelotas, Southern Brazil, 2008

it should read:

Table 4 Daily intake of iron per child (*n* 774*). Pelotas, Southern Brazil, 2008
