**The Cherokee Cases**

Two Landmark Federal Decisions  
in the Fight for Sovereignty  
By Jill Norgren

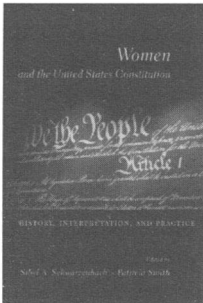

*The Cherokee Cases* is an ideal resource for understanding the political development of the Cherokee Nation in the early nineteenth century and the tragic outcome of these cases so critical to the establishment of U.S. Federal Indian law.

## Controlling the Law

Legal Politics in Early National New Hampshire

John Phillip Reid

**“This insightful book carefully and convincingly documents the generation of New Hampshire jurists who oversaw the transformation of colonial law.”**—John V. Orth, University of North Carolina

- Legal historian John Phillip Reid argues that judges gained dominance in the early nineteenth century by instituting courtroom practices modeled on English “common law” jurisprudence. Reid traces this transformation through the career of Jeremiah Smith, Chief Justice of the New Hampshire Supreme Court, who worked to unify legal theory, legal practice, and the law itself.

## Guardians of the Moral Order

The Legal Philosophy of the Supreme Court, 1860–1910

Mark Warren Bailey

**“An engaging and well-argued interpretation of the Court, full of intellectual surprises and new insights.”**—Kermit Hall, Utah State University

- Progressive reformers of America’s Gilded Age as well as historians of the twentieth century have depicted the era’s nine Supreme Court justices as aging reactionaries. Now, in *Guardians of the Moral Order*, Mark Bailey rises to the justices’ defense. The conservatism of the Supreme Court from 1860 through 1910, he argues, reflects not a conversion to the gospel of wealth but a steadfast belief in the vision of man and society grounded in Enlightenment ideas and moral science.

305 pp. 0-87580-320-2 \$45.00 cloth

## Immigrants, Progressives, and Exclusion Politics

The Dillingham Commission, 1900–1927

Robert F. Zeidel

**“A sophisticated, engaging, attentive account of one of the most intellectually interesting eras in American political development.... This book is splendid.”**—Cheryl Shanks, Williams College

- Believing that enlightened public policy would lead to prosperity and justice, the Dillingham Commission in 1907 launched its investigation of the “Great American Problem”—immigration. Facing an isolationist backlash after the Great War and the Red Scare, the resulting report was hijacked and employed to justify stringent immigration restrictions.

# American Society for Legal History

The American Society for Legal History is a nonprofit membership organization dedicated to fostering scholarship, teaching, and study concerning the law and institutions of all legal systems, both Anglo-American and international. Founded in 1956, the Society sponsors this journal and *Studies in Legal History*, a series of book-length monographs available to ASLH members at substantial prepublication discounts. In addition, the Society holds an annual meeting to promote scholarship and interaction among teachers, practitioners, and students interested in legal history, and publishes a semiannual newsletter reporting developments in the field. For further information concerning the Society, please write: Walter F. Pratt, Jr., Notre Dame Law School, PO Box R, Notre Dame, IN 46556-0780.

To become a member of the Society, please complete and mail the application to University of Illinois Press, 1325 S. Oak Street, Champaign, IL 61820.
