Aims and Scope

The *Review* is the quarterly publication of the National Institute of Economic and Social Research. The Institute's objective is to promote a deeper understanding of the interaction of economic and social forces that affect people's lives so that they may be improved. It has no political affiliation, and receives no core funding from government. Its research programme is organised under the headings of Economic Modelling and Analysis; Productivity; Education and Training and the International Economy.

Copyright © National Institute of Economic and Social Research, 2009.
