

THE MIDDLE EAST STUDIES ASSOCIATION OF NORTH AMERICA, INC. (MESA) was organized in 1966 by a group of American and Canadian scholars on the Middle East to

- promote high standards of scholarship and instruction in this area;
- facilitate communication among scholars through meetings and publications; and
- foster cooperation among persons and organizations concerned with the scholarly study of the Middle East.

MESA focuses on the study of the Middle East since the rise of Islam, principally from the viewpoint of the humanities and the social sciences. Its membership is international.
