
Congressional Fellowship Program

The Association has announced 14 winners in the national competition for the 1973-74 Congressional Fellowship Program.

The winners — seven political scientists and seven journalists — will come to the Nation's Capitol for a year of full-time work in the offices of Senators and Members of the House of Representatives.

Each winner will receive a minimum stipend of \$6,500 for the year. The Program is financed by a Ford Foundation grant, and services of the Fellows are free of charge to the Congressional offices in which they work.

Sponsored by the Association since 1953, the purpose of the Congressional Fellowship Program is to give outstanding young academicians and political journalists an opportunity to further their knowledge of the national legislative process. Other participants in the 1973-74 Congressional Fellowship Program, Asian Fellows, Harkness Fellows, and Federal Service Fellows, will be named later in the year.

The Congressional Fellows are scheduled to arrive here in mid-November for a three week orientation period. They will begin working in Congressional offices of their choice about December 15, 1973. The Program ends August 15, 1974.

The 14 winners were selected on the basis of superior academic training and experience. Final selections were made by an Advisory Committee made up of top government officials, Washington newsmen, and political scientists.
