#### **IOURNAL POLICY**

PALEOBIOLOGY publishes original research contributions dealing with any aspect of biological paleontology and geobiology. Papers should emphasize biological or paleobiological processes and patterns and seek to answer a question or test a hypothesis of broad significance. Appropriate topics or themes include, but are not limited to, speciation, extinction, development, natural selection, evolution, and patterns of variation, abundance, and distribution in space and time. Papers concerning research on recent organisms and systems are appropriate if they are relevant to paleontologists.

All manuscripts are to be in English. A guide to manuscript preparation is published on-line at: http:// www.paleosoc.org/paleobio.htm. All manuscript submissions and the review process are handled on-line at: http://paleobiology.allentrack.net. Submission of a manuscript to PALEOBIOLOGY implies that it is not simul-

Manuscripts are typically 50 pages or less (including, for example, large data tables) are not published in the print version, but are archived at DRYAD at http://datadryad.org/. Pre-submission inquiries about potential suitability of manuscripts should be directed to the editors at: paleobiology@flmnh.ufl.edu.

### MANUSCRIPT ACCEPTANCE POLICY

It is understood that, in return for publication, the journal has the nonexclusive right to publish the contribution and the continuing right, without limit, to include the contribution as part of any reprinting of the issue and/or volume of the journal in which the contribution first appeared by any means and in any format, including computer-assisted storage and

readout, in which the issue and/or volume may be reproduced by the publisher or by its licensed agencies.

The appearance of the code at the bottom of the first page of each contribution in this journal indicates the copyright owner's consent that copies of the article (or of articles in back issues) may be made for personal use. For copying beyond that permitted by Sections 107 or 108 of the U.S. Copyright Law, this consent is given on the condition that the copier pay the stated per-copy fee through the Copyright Clearance Center, Inc. (P.O. Box 765, Schenectady, New York 12301). This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale, and similar.

Paleobiology is published by the Paleontological Society. Members of the society automatically receive electronic subscriptions to *Paleobiology* and the *Journal of Paleontology* as a benefit of membership.

Please address all matters relating to membership and subscriptions to Ms. Cheryl Moore, Association Manager, at paleosoc@allenpress.com or by regular mail at Paleobiology Subscriptions, P.O. Box 1897, 810 East 10th Street, Lawrence, Kansas 66044-8897, USA. Fees for 2014 are:

<b>Regular</b> (including on-line subscriptions to <i>Journal of Paleontology</i> and <i>Paleobiology</i> )	\$55.00
<b>Retired</b> (including on-line subscriptions to <i>Journal of Paleontology</i> and <i>Paleobiology</i> )	\$50.00
(The PS Secretary is required to certify eligibility for "retired" status)	
<b>Student</b> (including on-line subscriptions to <i>Journal of Paleontology</i> and <i>Paleobiology</i> )	\$30.00
Spouse (including on-line subscription to <i>Paleobiology</i> )	\$30.00
Paleobiology paper subscription, in addition to regular or retired membership fee	\$35.00
Paleobiology paper subscription, in addition to student membership fee	\$25.00
Journal of Paleontology paper subscription, in addition to regular membership fee	\$95.00
Journal of Paleontology paper subscription, in addition to retired membership fee	\$75.00
Journal of Paleontology paper subscription, in addition to student membership fee	\$35.00

To apply for individual membership and subscriptions, please go to the Paleontological Society's homepage at http://paleosoc.org/ where links to an electronic application, a printable paper application form, and a complete list of membership benefits are provided under Membership.

2014 Institutional subscription rates are: Journal of Paleontology - \$360.00, Paleobiology - \$200.00 To initiate an institutional subscription to one or both journals, please contact Ms. Cheryl Moore, Association Manager, at paleosoc@allenpress.com or by regular mail at the address given above.

Back issues: \$8.50 for members, \$16.00 for nonmembers. Price includes postage and handling.
