Doi: <https://doi.org/10.1017/S0029665123003129>, published by Cambridge University Press, 5 September 2023.

In the original publication of this article, the title was incorrectly given as 'Exploring change in the diet quality of 11–12y olds in 2010 and 2022: a repeat crosssectional study', and the wrong authors were listed.

The article has been updated to correct these things.
