This Expert Roundtable Supplement is available as a free CME Video/DVD from the live i3 CME presentation held June 19, 2007 in Cincinnati, Ohio.

The Video/DVD contains video and slide presentations from the speakers as well as a CME component.

The information on the Video/DVD may be used by readers under the "fair use" doctrine. Thus, a use for a proper purpose, such as teaching or lecturing, is encouraged.

Please allow 3 weeks for delivery.

PLEASE SEND ME MY FREE CME: VIDEO and/or DVD
