

Correction and Addendum to

"A DUAL FORM OF KURATOWSKI'S THEOREM"

by F. Harary and W. T. Tutte

Can. Math. Bull., Vol. 8, no. 1, pp. 17-20.

Correction:

The last sentence of the first paragraph of p. 20 should read

A graph is nonplanar if and only if it has K_5 or $K_{3,3}$ as a spanning subgraph of a contraction.

Addendum:

W. G. Brown has kindly supplied us with the following early references for the theorem on p. 18:

K. Wagner, Über eine Eigenschaft der ebenen Komplexe, Mat. Ann. 114, 570 (1937).

_____, Über eine Erweiterung eines Satzes von Kuratowski. Deutsche Mathematik 2, 280-5 (1937).
