

Law and Society Association Notes

At the meeting on October 8 and 9 of the Board of Trustees, it was resolved that dues for regular memberships in the Association for the first fiscal year (July 1, 1966 to June 30, 1967) would be reduced from \$10 to \$7. Members making payment on dues, at any time (from the founding of the Association to present date) will be credited for the payment made. The first established dues (and first payable dues) are those for July 1, 1966 to June 30, 1967. Any excess over dues herein announced at any time heretofore paid shall be credited to dues for a subsequent year; any deficit shall be due and payable for continued membership in the Association. Accordingly, those paying the earlier announced dues rate of \$10 shall be given a \$3 credit on 1967-68 dues.

The board affirmed the Student Dues rate of \$5; and created new membership categories of "Husband and Wife Regular Members" at \$8 (entitled to two votes, but only one copy of this REVIEW), Sustaining Memberships at \$15, Contributing Memberships at \$25 and Corporate (Firm) Memberships at \$100. Each category, except as above set forth, shall be entitled to one vote and one subscription of this REVIEW.
