NEW DOUBLEDAY ANCHOR BOOKS

THE FIRST NAME IN QUALITY PAPERBACK PUBLISHING

SOPHOCLES' OEDIPUS THE KING and OEDIPUS AT COLONUS

Translated by Charles R. Walker

This vivid translation of two great classical plays is designed for modern readers and playwrights, and is well suited to performance as one unified production. The translator's introduction discusses the theatrical history and some recent productions of *Oedipus the King*. *An Anchor Original.* \$1.25

THE SON OF A SERVANT

by August Strindberg; newly translated and with an introduction by Evert Sprinchorn

Available for the first time in English, this is the complete text of Strindberg's first autobiographical novel. "A moving account of the early life of the great Swedish playwright."—*Atlantic Monthly*. *An Anchor Original.* \$1.25

GHOSTS and Three Other Plays

Translated with introductions by Michael Meyer

This fifth volume of the new ANCHOR Ibsen translations by Michael Meyer includes four of Ibsen's most popular plays: *A Doll's House*, *Ghosts*, *An Enemy of the People* and *Rosmersholm*. The introduction to each play places it in historical and critical perspective. *An Anchor Original.* \$1.45

SHAKESPEARE OUR CONTEMPORARY

by Jan Kott; translated by Boleslaw Taborski, with an introduction by Martin Esslin

"A brilliant, exciting, shocking book—an eye-opener... should be read by everyone to whom Shakespeare is a living writer rather than a schoolman's text or a figurehead."—HAROLD CLURMAN, *N. Y. Times Book Review.* \$1.45

An Important Addition to the Doubleday Theater Series

GENERATION

by William Goodhart

The Broadway hit comedy which pinpoints the foibles of two generations of liberals: the worn-thin 40's thinking of a Chicago ad exec who flies to New York to visit his just-married daughter to find her nine months pregnant, and the far-out, inexperienced idealism of his new son-in-law who wants to deliver the baby at home. With photographs. Hardbound \$3.95, paper \$1.95

A new program for professional training in theatre

New York University's theatre program will provide imaginative and disciplined training, utilizing the conservatory approach. Theatre classes will be small, taught by working professionals over varying intensive periods. Participants will progress according to achievement and need. After basic training, participants will take part in a continuous studio production program, under professional direction. The culminating year of study will involve participation in a touring repertory company and/or internship in resident professional theatre. *Admission* depends primarily on talent, demonstrated through nationwide auditions and interviews. *Academic standards:* Professional training leads to the Certificate. Those who meet certificate standards may also work for B.F.A. and M.F.A. degrees, provided they also meet academic admission requirements. Transfer credits may be offered toward degree work. *Scholarships:* Full and partial financial aid is available to outstanding candidates who have demonstrable financial need. Separate sequences leading to the Certificate, but with B.F.A. and M.F.A. degrees available, are offered in: Acting, Dance Theatre, Design, Technical Production. Sequences leading to M.F.A. degrees, but with B.F.A. and Certificate available, are offered in Theatre Management, Playwriting, Directing. For a bulletin and application forms, write to: Herbert Livesey, Chairman of Admissions, School of the Arts, Room 367 Waverly Building, New York University, Washington Square, New York, N.Y. 10003.

THE CRAFTSMEN OF DIONYSUS

An Approach to Acting

JEROME ROCKWOOD, Bronx Community College

Introduction by BURGESS MEREDITH

A text for the training of the beginning actor, this book offers a practical, sequential treatment in which the student learns the techniques necessary to create a role—from script analysis to performance. The author advocates primarily a representational approach to mastering the art of acting, a combination of “inner” and “outer” techniques used to create an organic, fully realized characterization. *Spring, 288 pages, softbound: \$2.75, hardbound: \$3.75.*

WHAT IS THE PLAY?

RICHARD A. CASSELL, Butler University

HENRY W. KNEPLER, Illinois Institute of Technology

Helps students understand the content of the play not only as a text but also as a stage presentation. It offers eleven plays and fourteen essays, together with a general introduction. Features headnotes and postludes to each play, questions following each play, and an extensive bibliography. The essays revolve around the individual plays and the drama and the theatre in general. *Summer, 640 pages, softbound*

THE IDEA OF TRAGEDY

CARL BENSON and TAYLOR LITTLETON,
both of Auburn University

A critical reader in two parts: critical selections from Aristotle through Arthur Miller on tragedy and two triads of tragedies in the classical Greek and Elizabethan periods and the 19th century. Each triad has an organizing principle; the student, having worked through the critical material, is enabled to make several illuminating combinations of comparison and contrast among the plays—historical, thematic, and analytical. *Summer, approx. 352 pages, softbound, prob. \$3.50*

THE DEPUTY READER: Studies in Moral Responsibility

DOLORES BARRACANO SCHMIDT

EARL ROBERT SCHMIDT, Slippery Rock State College

A diverse collection of writings on Hochhuth's controversial play that provides material for evaluating the work as literature and for investigating its thematic implications. *1965, 256 pages, softbound, \$2.50*

PLAYWRIGHT'S PROGRESS: O'Neill and the Critics

JORDAN Y. MILLER, Kansas State University

A chronological selection of the criticism of the plays of Eugene O'Neill. *1965, 192 pages, softbound, \$2.10*

Announcing
**The Kittredge
Shakespeares**

Edited by Irving Ribner

In a new and attractive paperback format, THE KITTREDGE SHAKESPEARES offer the authoritative notes and readings of George Lyman Kittredge with revisions by Irving Ribner of the University of Delaware.

Since the publication of the Kittredge edition in 1936, additional study has more accurately established Shakespeare's text, and has increased the body of knowledge concerning the dates, sources, and historical background of Shakespeare's plays. This additional information is incorporated in Dr. Ribner's careful revisions of the Kittredge notes and in his new introductions.

This edition of THE KITTREDGE SHAKESPEARES includes

- Kittredge's work revised to reflect current scholarship
- modern introductions by Dr. Ribner
- notes located at the bottom of the page for easy reference
- convenient paperback form of the individual plays

ANNOUNCING A NEW REPRINT

№ 109

HALL'S CHRONICLE

(sometimes HALLE)

*OR THE UNION OF THE TWO NOBLE AND
ILLUSTRE FAMILIES OF LANCASTER AND YORK*

containing the History of England during the reign of Henry the Fourth, and the succeeding monarchs, to the end of the reign of Henry the Eighth, in which are particularly described the manners and customs of those periods. Carefully collated with the editions of 1548 and 1550.

Edited by **SIR HENRY ELLIS**

LONDON • 1809

THE STANDARD EDITION

Library bound Volume \$65.00

THIS is the standard, very rare, and only complete edition of the chronicle scholars now regard as a towering source for Shakespeare's history plays. Its value equals and some think may even surpass Holinshed's. For if Holinshed supplied Shakespeare with facts, Hall gave him a political philosophy.

"I doubt if Hall's great importance not only as an influence on Shakespeare but as a shaper of Tudor historical thought, not to speak of his considerable literary merit, has ever been recognized as it should," wrote the late E. M. W. Tillyard in his *Shakespeare's History Plays*. "I have no doubt," he continued, "that Shakespeare had read Hall in his youth . . . It is in the early Histories that he borrows most from Hall; in the later group the specific borrowings are scarcer. It looks as if he had assimilated Hall so well that he did not need to refer to him any more. Hall's ideas had by this time become a part of his mind . . . Hall's chronicle caught Shakespeare's youthful imagination and impelled him to dramatize the whole stretch of English history from the prosperity of Edward III, through the disasters that succeeded, to the establishment of civil peace under the Tudors."

Theatre Arts Books

THE SHAKESPEARE INSET

by Francis Berry

In this volume the author extends his theories set out in his *Poet's Grammar* and *Poetry and the Physical Voice* to cover Shakespearean drama during its actual performance. What is the difference between the language being heard on the stage and the picture being simultaneously exhibited there? Typically there is an identity between sound and sight; but often there is a divergence between what the audience hears and what it sees. These divergences are "Insets," and in this book the motives, mechanics and poetic quality of these mainly narrative poems embedded in the plays are studied with interesting results for the literary student, the actor and director, and the theatre-goer. Francis Berry is currently Reader in English Literature at the University of Sheffield in England.

\$5.75

THE CUT OF MEN'S CLOTHES, 1600-1900

by Norah Waugh

The history of men's costume shows a continuous evolution through cut and construction, each change of line deriving directly from its predecessor. Here, Norah Waugh traces the evolution of style through a sequence of diagrams accurately scaled down from patterns of actual garments, many of them rare museum specimens. The plates have been selected with the same purpose. Some are photographs of suits for which diagrams have also been given; others, reproduced from paintings and old prints, show the costume complete with its accessories. Quotations from contemporary diaries, traveler's accounts and tailor's bills supplement the text. Norah Waugh teaches in the Central School of Arts and Crafts in London. "A definitive work in its field," —*Library Journal*. Color frontispiece, many plates, diagrams, drawings and patterns.

Again Available in New Printing \$9.95
