

ROMAN SOCIETY

HUGH LAST AND DONALD ATKINSON FUNDS

Applications for grants are invited for financial assistance towards the undertaking, completion or publication of work that relates to any of the general scholarly purposes of the Roman Society, which are to promote the study of the history, archaeology, literature and art of Italy and the Roman Empire, from the earliest times down to about A.D. 700. In addition, postgraduate students may apply for small grants for visits to conferences and for other research expenses. Grants for the organisation of conferences, colloquia and symposia will be considered only in exceptional circumstances.

Applications, together with two references, should be made before 15 January and sent to the Secretary, Roman Society, Senate House, Malet Street, London WC1E 7HU. It is the responsibility of applicants to arrange for their references to reach the Society by the same date. Application forms may be obtained from the Secretary.

REPRESENTATION AT OVERSEAS CONFERENCES

The Council of the Society invites applications from members to attend a conference of a sister body in another country as an official representative of the Society. The Society is willing to pay up to a maximum of £500 for a single conference, to help cover the conference fee and travel costs. The delegate will be required to submit a report to Council on the state of Roman studies in the country concerned. Preference will be given to a delegate going to a country where the subject may benefit from the Society's representation.

Applications should be sent to the Secretary, at least six months before the conference, for approval by Council.

WINNINGTON-INGRAM TRAINEE LIBRARIAN POST

The Joint Library of the Hellenic and Roman Societies, run in conjunction with the library of the Institute of Classical Studies, is recognised as a premier international research library in Classics. A fund has been established in memory of Professor R. P. Winnington-Ingram, formerly Director of the Institute and Professor of Greek at King's College London, to raise £250,000 to secure the annual Library Traineeship in perpetuity. This post helps to keep the Library open six days a week, including Saturdays and evenings, thus catering particularly for readers outside London and its university.

The Fund has already attracted donations of over £210,000. If you would like to help the Fund to reach its final target, please send your contribution to the Librarian, Institute of Classical Studies, Senate House, Malet Street, London WC1E 7HU.
