

# Join SHEA

Access to the information you need to meet the infection prevention challenges ahead.

- One year subscription to *Infection Control & Hospital Epidemiology*
- Online access to *Infection Control & Hospital Epidemiology*
- Monthly newsletter with abstracts of scientific journal articles and current events
- Online job board
- Online member search
- Continuing Medical Education (CME) and Continuing Nursing Education (CNE) opportunities

## About SHEA

The Society for Healthcare Epidemiology of America (SHEA) was founded in 1980 to advance the science of healthcare epidemiology and infection prevention. SHEA works to maintain the utmost quality of patient care and healthcare worker safety in all healthcare settings, applying epidemiologic principles and prevention strategies to a wide range of quality-of-care issues. SHEA is strengthened by its active membership in all branches of medicine, public health, and healthcare epidemiology. The Society's expertise is sought by healthcare regulatory and accrediting agencies, and its scientific voice is influential in guiding decision-making bodies towards rational, effective, cost-conscious policies.

## Mission

**SHEA's mission is to prevent and control healthcare-associated infections and advance the field of healthcare epidemiology.**

## Core Values

SHEA as an organization:

- Advances the science of healthcare epidemiology through research and education
- Translates knowledge into effective policy and practice
- Mentors, trains and promotes professional development in healthcare epidemiology
- Collaborates and shares expertise with other organizations
- Adheres to high ethical standards and promotes honesty and ethical principles in the practice of epidemiology

## Areas of Focus

- Epidemiologic research and laboratory investigation
- Applying the best evidence for protecting patients and reporting data
- Risk reduction programs focused on device and procedure management
- Policy development and implementation
- Education and information

Please contact [info@shea-online.org](mailto:info@shea-online.org) with membership inquiries.

both  
worlds.*

Protected against immersion  
with a universal rating of IPX7.\*

## Streamline the clipping and cleaning process with CareFusion® Surgical Clippers.

Discover a better way to clip and clean with CareFusion Surgical Clippers. The ability to remove hair in a single pass makes the clipping process more efficient while helping to minimize infections versus traditional razors. Plus, it's the only handle that's fully submersible\* for more thorough cleaning and disinfecting. It's the perfect choice on the surface and under it.

Email [surgicalclippers@carefusion.com](mailto:surgicalclippers@carefusion.com) to schedule a Clipper Challenge in your facility.

\* IP code is the standard for water resistance and waterproofing ([www.iec.ch](http://www.iec.ch); IEC 60529 Edition 2.1).
