## INSTRUCTIONS FOR CONTRIBUTORS

---

---

*Legal Theory* is a quarterly, peer-reviewed journal that is edited to the highest standards with the assistance of a prestigious international editorial board. *Legal Theory* encompasses a broad range of topics, including but not limited to analytical jurisprudence, normative jurisprudence, policy analyses of legal institutions and doctrines, theories of law as a social or cultural phenomenon, and critical perspectives on law and legal institutions.

Submitted articles, books for review, and editorial correspondence should be sent to *Legal Theory* at [legaltheory@san Diego.edu](mailto:legaltheory@san Diego.edu). Attention: Alessandria Driussi.

**Preparation of manuscript.** A separate title page should be prepared including the article title, short title for use as a running head (not to exceed 45 characters), author's full name and affiliation, and complete contact information (including phone number and e-mail address).

Manuscripts should be submitted in Word and should conform to *Chicago* style (however, see below concerning preparation of reference and note material). Manuscripts should be shorter than 15,000 words exclusive of notes. A separate abstract of no more than 150 words should be included. Submissions directly commenting on other works in the existing literature are welcome.

The entire manuscript (including notes and references) should be typed double-spaced with wide margins for copyediting. Manuscript pages should be numbered consecutively. Authors of accepted articles will be asked to prepare a final version in the journal's style and to submit it on disk together with a hard copy version.

The cover letter, title page, abstract, and manuscripts are to be submitted via separate email attachments in MS Word.

**Figures.** If the manuscript is accepted for publication, the author must provide figures that are ready for photographic reproduction; they cannot be redrawn by the publisher, unless the author pays for the cost of such work. Charts, graphs, or other artwork must be drawn by a professional artist or computer generated on a laser printer, in black ink on white paper, and should remain legible after a 50% reduction. All labels and details on figures should be clearly printed.

**References and notes.** References should conform to the legal style of *The Bluebook: A Uniform System of Citation*, 17th edition, published by the Harvard Law Review Association.

**Copyediting and proofreading.** The publisher reserves the right to copyedit and proofread all articles accepted for publication, but authors will be consulted in the case of any substantial changes. Page proofs of each article will be sent to the lead author for correction of typographical errors only.

**General.** Submitting an article to *Legal Theory* implies that it has not been published elsewhere and is not being considered for publication elsewhere. Authors must obtain written permission to publish any material for which they do not own copyright. They will be asked to assign the copyright of their article, under certain conditions, to Cambridge University Press. Offprints may be purchased if ordered at proof stage on the form provided.
