PHILOSOPHY OF SCIENCE

Typescript. Typescript, double-spaced, should be submitted (in triplicate) to Professor Robert E. Butts, Department of Philosophy, Talbot College, University of Western Ontario, London, Ontario, Canada N6A 3K7. Typescripts will not be returned unless return postage is prepaid by cheque, money order, International Reply Coupons or Canadian stamps. A bibliographical list of cited references beginning with the author's last name, initials, followed by the year of publication in parentheses, should be headed 'References' and placed on a separate sheet in alphabetical order. Simple citations should then be made by employing in the text, *rather than by footnote*, the reference list by citing author and year of publication, e.g., Jones (1958) or (Smith 1974, p. 46). A detailed guide to the new reference style appears in the March issue of each year. Discursive footnotes should be numbered consecutively throughout the typescript. *Typescript should not exceed thirty-five double-spaced pages. Longer essays will be returned to the author(s) to be cut to the acceptable maximum. A summary abstract of approximately 100 words should accompany each article*. All *illustrations must* be professionally drawn and lettered. All formulas and equations should be put in such a form as to help minimize the number of printed lines in the journal. In the following examples the form on the right is preferable to that on the left:

$$(1) \quad p = -\frac{dx}{dy} = -\frac{dz}{dt} \qquad\qquad p = -dx/dy = -dz/dt$$

$$(2) \quad \frac{1}{x}\prod_{n=1}^{x}\frac{\left(1 + \frac{1}{a_n}\right)}{\left(1 - \frac{1}{b_n}\right)} \qquad\qquad (1/x)\prod_{n=1}^{x}[(1 + 1/a_n)/(1 - 1/b_n)]$$

Page charges. There is a two dollar per page publication charge for individuals who are not members of the Philosophy of Science Association.

Copyright. Manuscripts should be submitted to *Philosophy of Science* with the understanding that upon publication copyright will be transferred to the Philosophy of Science Association.

Reprints. Contributors of articles to this journal will receive, gratis, 25 reprints. Authors desiring additional reprints may order them by sending in, with their corrected galleys, the special order forms which they will find enclosed with their galleys.

Reviews. Publications intended for review should be sent to Prof. William Demopoulos, at the address given above.

Philosophy of Science is published quarterly; issues are dated *March, June, September* and *December* of each year. Correspondence concerning business matters should be addressed to Peter D. Asquith, Executive Secretary, Department of Philosophy, Michigan State University, East Lansing, Michigan 48824.

Membership and Subscriptions. Membership in the Philosophy of Science Association may be applied for by writing to the Executive Secretary of the Association. Membership dues are $35.00 a year and include subscription to the journal. Subscription price for non-members is $32.50 U.S.A. ($33.50 non-U.S.A.) per volume. New subscriptions and renewals are entered to begin with the first issue of the current volume. Should any issue of the current volume be out of print at the time the subscription order is received, the pro-rata value will be refunded to the subscriber. Duplicate copies may be obtained (if available) from the Executive Secretary at the regular price of single issues ($9.00). Subscriptions at a reduced rate of $18.00 a year are available to qualified students; inquire of the Executive Secretary.
