# The Journal of Latin American Studies

Edited by **HAROLD BLAKEMORE**

*University of London*

**CLIFFORD T. SMITH**

*University of Liverpool*

Sponsored by the Centres or Institutes of Latin American Studies at the Universities of Cambridge, Glasgow, Liverpool, London and Oxford.

The scope of the journal is the study of Latin America from the standpoint of the social sciences, including anthropology, archaeology, economics, geography, history, international relations, politics and sociology, etc., though it is not concerned with linguistic or literary studies. Contributions are invited from all parts of the world and, while editorial policy avoids commitment to any political viewpoint or ideology, free discussion of such issues in the Latin American context is welcomed. The journal publishes both articles and book reviews.

## **'Myne Owne Ground'**

Race and Freedom on Virginia's Eastern Shore 1640–1676

**T. H. Breen and Stephen Innes**

This book concentrates on a unique phenomenon of colonial America – the existence of successful free blacks on Virginia's eastern shore. It examines in particular several of these blacks and shows how they held property, sued and were sued by whites, and lived for several generations as free and independent members of Virginia society. £7.50

## **Puritans and Adventurers**

Change and Persistence in Early America

**T. H. Breen**

This collection of essays is concerned with two main issues: first, the way in which the local origins of English colonists influenced their attitudes and adaptation to North America; and second, the contrast between the settlements of Massachusetts and Virginia. £10

## **Over Here**

The First World War and American Society

**David M. Kennedy**

This is the first full-scale discussion of the impact of the First World War on American society. The book describes the influence of Woodrow Wilson's personality and policies in America during the war. It also deals with such topics as the repression of dissent, the organization and expansion of the US economy under wartime conditions, the government's complicated relation with intellectuals, and the ways that the war affected such groups as blacks, women, and the labour movement. £10

## **The Turbulent Era**

Riot and Disorder in Jacksonian America

**Michael Feldberg**

Using the Philadelphia Native American Riots of 1844 as his point of departure, the author examines the collective violence that beset American cities in the 1830s, 1840s, and 1850s. £5.95

## **Savagism and Civility**

Indians and Englishmen in Colonial Virginia

**BERNARD SHEEHAN**

When the English settlers arrived in Virginia in 1607 they carried with them a fully developed mythology about native Indian cultures. Professor Sheehan argues that English commitment to this myth was behind the violence that broke out almost immediately between the settlers and the Indians, culminating in the massacre of 1622.

## **Workers' Control in America**

Studies in the History of Work, Technology, and Labor Struggles

**DAVID MONTGOMERY**

The movement for workers' control has been a recurrent feature of American labour and political history for more than a century. These essays, by one of America's leading labour historians, analyse this phenomenon from post-Civil War industrialisation to the era of the New Deal.

## NOTES FOR CONTRIBUTORS

- 1 All contributions and editorial correspondence should be sent to: The Editor, *Journal of American Studies*, School of English and American Studies, University of East Anglia, Norwich NR4 7TJ, England.
- 2 Articles should generally contain about 5,000 words. Longer or shorter articles, or articles in two or more parts, may be accepted by arrangement with the Editors.
- 3 Submission of an article is taken to imply that it has not previously been published, and is not being considered for publication elsewhere.
- 4 Contributions should be clearly typed in double spacing (including footnotes), preferably on A4 paper, with a wide left-hand margin. Diagrams, maps and illustrations may be included.
- 5 Spelling may conform either to British or American usage, providing it is consistent throughout.
- 6 Footnotes should be used sparingly: in general, to give sources of direct quotations, references to main authorities on disputable questions, and evidence relied on for a new or unusual conclusion. They should be numbered consecutively, and may most conveniently be placed, in double spacing, at the end of the article.
- 7 For guidance on matters of style, contributors should refer either to the *MLA Handbook* (1977), or to the *Journal of American Studies Style Notes*, copies of which may be obtained from the Editors.
- 8 Contributors should keep one copy of the typescript for correcting proofs.
- 9 Notes intended for the Editors or Printer should be on a separate sheet.
- 10 First proofs may be read and corrected by contributors provided that they can give the Editor an address through which they can be reached without delay and can guarantee to return the corrected proofs to the Editor, by airmail where necessary, within three days of receiving them.
- 11 Corrections should be kept to an absolute minimum. They should be confined to errors of the typist or printer unless the Editor authorizes otherwise.
- 12 Contributors of articles and review essays receive 25 free offprints. Extra copies may be ordered according to a scale of charges.
- 13 Contributors need not be members of the British Association for American Studies. Unsolicited typescripts can only be returned to overseas contributors who send International Reply Coupons (not postage stamps).
- 14 Contributors of accepted articles will be asked to assign their copyright, on certain conditions, to Cambridge University Press, to help protect their material, particularly in the USA.
