Ancient Iraq

GEORGES ROUX

Iraq shares with Egypt the privilege of having a longer past than any other country. But if scores of books and articles devoted to the various aspects of Mesopotamian history and civilization have been published, no-one has yet attempted to draw a complete and coherent picture of their development from prehistoric times to the dawn of the Christian era. This is, therefore, the first overall political, cultural and economic history of ancient Mesopotamia to be made available. *Illustrated 50s.*

The Gulistan or Rose Garden of Sa'di

Written in the thirteenth century, it blends philosophic wisdom with entertaining narrative and includes topics as diverse as 'Love and Youth', 'The Manners of Kings', 'The Morals of Dervishes', 'The Advantages of Silence' and 'Rules for Conduct'. *42s.*
