The *British Journal of Psychiatry* is published monthly under the auspices of the Royal College of Psychiatrists. The *Journal* publishes original work in all fields of psychiatry. All communications, including manuscripts for publication, should be sent to The Editor, *British Journal of Psychiatry*, 17 Belgrave Square, London SW1X 8PG.

Full instructions to authors are given at the front of the May 1992 issue.

Two copies of the manuscript should be submitted and the author should retain a copy. Articles must be typed on one side of the paper only, double spaced with wide margins.

**Department of Psychiatry  
& Behavioral Neuroscience  
St. Elizabeth's Hospital,  
Boston, USA**

Applications are invited for residency training positions in psychiatry at St. Elizabeth's Hospital of Boston. The residency program is based in an academic teaching hospital and is fully accredited with the American College of Graduate Medical Education. Training opportunities may be arranged at PGY (post graduate year) 1 through 4. Clinical experience equivalent to S.H.O. and registrar level is available in psychopharmacology, inpatient psychiatry, addiction medicine, psychotherapy, consultation psychiatry, cross cultural psychiatry and community psychiatry.

Please forward a curriculum vitae to William H. Anderson, MD, Department of Psychiatry and Behavioral Neuroscience, St. Elizabeth's Hospital, 736 Cambridge St., Boston, MA 02135, USA. Tel. 617-789-2109. Fax 617-789-2066.

**UNIVERSITY OF LONDON  
INSTITUTE OF PSYCHIATRY  
TRAINING COURSE IN COGNITIVE  
BEHAVIOURAL THERAPY**

There will be a training course in Cognitive Behavioural Therapy at the Institute of Psychiatry between 5 February and 30 July 1993. The course starts with a two-day workshop on 28 & 29 January and thereafter weekly for one half day (Friday mornings) from 5 February.

Students will be expected to treat patients under supervision, and will attend a series of academic seminars. Psychiatrists and post-qualification psychologists are likely to be particularly interested, though applicants from other professional disciplines will be considered.

Numbers will be limited.

For further details apply to:

The Registry, Institute of Psychiatry, De Crespigny Park, Denmark Hill, London SE5 8AF.

Closing date for applications: 27 November 1992

**STAFF PSYCHIATRIST  
WESTERN REGIONAL HEALTH CENTRE  
YARMOUTH, NOVA SCOTIA**

The Department of Psychiatric Mental Health Services at the Western Regional Health Centre is currently seeking a psychiatrist to join our presently full complement of six psychiatrists. We provide comprehensive psychiatric services to Southwest Nova Scotia (population 70,000). These services include: a 22 bed acute inpatient psychiatry ward, day hospital, and outpatient clinic at the Yarmouth Regional Hospital, three satellite clinics, institutional and general hospital consultation as well as a child and adolescent services.

We are seeking a general psychiatrist with leadership qualities who is a member of the Royal College of Psychiatrists. Candidates who have passed the Medical Council of Canada Evaluating Examination (MCCEE) are preferred.

The recent introduction of remuneration through a contract arrangement makes this a very attractive position as it significantly enhances the potential salary - \$111,500-\$140,000 on a 37.5 hour work week and may be augmented with extra reimbursement for call back. On call responsibilities normally require a commitment of one weekend in six. In addition, extra billing may be available where staff complement permits and private practice is possible. The option also continues to exist for applicants who prefer a salary arrangement with a full range of benefits rather than a contract basis. Assistance with moving expenses is also available.

This position would be particularly attractive to someone who is concerned about a good work environment, combined with time for personal interests and who is looking for a place to go for a long term quality lifestyle in a small town rural setting.

Yarmouth is an attractive seaport town which has convenient transportation facilities including an international airport.

Please send curriculum vitae to or for further information contact:
