Birds, Scythes and Combines

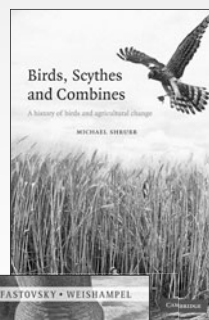

A History of Birds and Agricultural Change

Michael Shrubbs

“...a well-researched book, providing an unparalleled source of information on changes in both farming practice and bird distribution in a single, concise volume. The historical perspective is particularly novel and very welcome. Those engaged in farmland bird research and lovers of the countryside will find this a fascinating and essential read.”

—*The Quarterly Review of Biology*

\$46.99: Paperback: 978-1-107-40517-2: 384 pp.

Second Edition

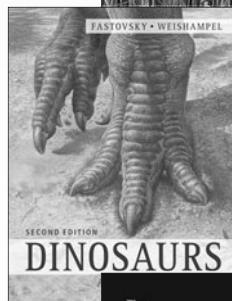

Dinosaurs

A Concise Natural History

David E. Fastovsky and David B. Weishampel

\$180.00: Hardback: 978-1-107-01079-6: 416 pp.

\$72.00: Paperback: 978-0-521-28237-6

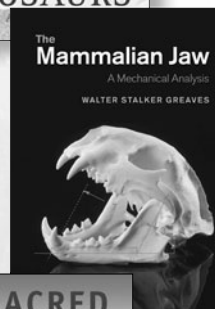

The Mammalian Jaw

A Mechanical Analysis

Walter Stalker Greaves

\$80.00: Hardback: 978-1-107-01622-4: 126 pp.

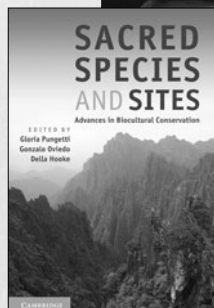

Sacred Species and Sites

Advances in Biocultural Conservation

Edited by Gloria Pungetti, Gonzalo Oviedo, and Della Hooke

\$120.00: Hardback: 978-0-521-11085-3: 500 pp.

\$60.00: Paperback: 978-0-521-12575-8

Research Papers

- **Spatial ecology and habitat selection of Little Owl *Athene noctua* during the breeding season in Central European farmland**
Martin Šálek and Matěj Lövy 328
- **Reproductive success of the threatened Reed Parrotbill *Paradoxornis heudei* in non-harvested and harvested reedbeds in the Yangtze River estuary, China**
Anthony Boulord, Zhang Mei, Wang Tian-Hou, Wang Xiao-Ming and Frédéric Jiguet 339
- **Threatened birds of Guatemala: a random subset of the avifauna?**
Andrea Nájera and Javier A. Simonetti 348
- **Rediscovery of the Timor Bush Warbler *Locustella timorensis* on Alor and Timor, Wallacea: clarifying taxonomic affinities, defining habitat and survey recommendations**
Colin R. Trainor, Philippe Verbelen and Serge Hoste 354

Instructions for Contributors

Bird Conservation International publishes papers and communications on subjects relevant to the conservation of birds, with a general preference for those addressing international or high national priorities.

Submission of manuscripts. Electronic versions of papers should be submitted online at <http://journals.cambridge.org/BCI> or, in exceptional circumstances, via email to bcieditor@bto.org. Please follow the guidelines in the Instructions for Authors.

Proofs. The corresponding author will receive, by email, page proofs for checking which they are required to return within three days of receipt. Textual changes in proof cannot normally be countenanced and the publisher reserves the right to charge authors for excessive correction of non-typographical errors.

Offprints. A .pdf proof of the published article will be emailed to the first author unless otherwise requested; printed copies may be purchased if ordered at proof stage on the form provided.

Copyright. Authors of articles published in the journal assign copyright to BirdLife International (with certain rights reserved) and a copyright assignment form will be sent to the author for signature on acceptance of a paper.

CONTENTS

Ecology and Conservation of Vultures

- **The impacts of La Niña-induced drought on Indian Vulture *Gyps indicus* populations in Western Rajasthan**
Jonathan C. Hall, Anil K. Chhangani, Tom A. Waite and Ian M. Hamilton 247
- **Seasonal variation in breeding Rüppell's Vultures *Gyps rueppellii* at Kwenia, southern Kenya and implications for conservation**
Munir Z. Virani, Ara Monadjem, Simon Thomsett and Corinne Kendall 260
- **Population trends of Critically Endangered *Gyps* vultures in the lowlands of Nepal**
Anand Chaudhary, Tulsi Ram Subedi, Jeet Bahadur Giri, Hem Sagar Baral, Basu Bidari, Hem Subedi, Badri Chaudhary, Ishwori Chaudhary, Khadananda Paudel and Richard J. Cuthbert 270

Conservation of Declining Bustard Populations

- **Preliminary assessment of distribution and population size of wintering Little Bustards *Tetrax tetrax* in Iran**
Mohammad E. Sehhatisebet, Fazel Abdi, Abbas Ashoori, Abolghasem Khaleghizadeh, Ali Khani, Koros Rabiei and Mahmood Shakiba 279
- **Using a capture-recapture approach for modelling the detectability and distribution of Houbara Bustard in southern Tunisia**
M. Chammem, S. Selmi, T. Khorchani and S. Nouira 288
- **Underground cabling and marking of power lines: conservation measures rapidly reduced mortality of West-Pannonian Great Bustards *Otis tarda***
Rainer Raab, Claudia Schütz, Péter Spakovszky, Eike Julius and Christian H. Schulze 299

Waterbird Ecology

- **Distribution and abundance of Chubut Steamerducks: an endemic species to Central Patagonia, Argentina**
María Laura Agüero, Pablo García Borboroglu and Daniel Esler 307
- **International importance of Extremadura, Spain, for overwintering migratory dabbling ducks: a role for reservoirs**
Juan G. Navedo, José A. Masero, Juan M. Sánchez-Guzmán, José M. Abad-Gómez, Jorge S. Gutiérrez, Esther G. Sansón, Auxiliadora Villegas, Emilio Costillo, Casimiro Corbacho and Ricardo Morán 316
