Annual General Meeting

The President Lord Willingdon will preside at the Annual General Meeting of the Society on Wednesday, June 13, at 6.0 pm, in the meeting rooms at the London Zoo. Lord Greenwood PC will be our guest speaker, and Jeffery Boswall, of the BBC Natural History Unit, will speak on his Wildlife Safari to the Argentine, and show three films: The High Andes, Falls of Iguazu and Patagonia. A wine and cheese supper will be served, tickets £1 each obtainable in advance. Owing to the popularity of our meetings we are unfortunately obliged to restrict members to one guest until after June 4 when any surplus tickets will be available. Please send a stamped addressed envelope for your tickets. For Annual Report and Accounts see page 134.

Two Large Donations

The Society is very grateful to two members for large earmarked gifts to the Oryx 100% Fund: to Mrs Iris Darnton for £300 for the Lake Nakuru project in Kenya and £200 for the Pheasant Trust; and to Miss M. E. Gibbs for £500 for Operation Tiger, the WWF project to save the Bengal tiger: see page 109.

Two Enlarged Issues

This issue of ORYX is considerably larger than usual because, as members were informed in January, the January issue had to be cancelled. This is therefore the first issue in Volume XII. A second enlarged issue will be published in September.

Back Numbers of ORYX

We would be very grateful to any member who could let us have the following back numbers of ORYX:

Volume IX, No. 4, May 1968 and Volume X, No. 3, December 1969 also any complete sets of Volumes I–V inclusive and VIII to XI would be very welcome.

RED Data Book

The revised edition of the Red Data Book of Endangered Mammals is now published by IUCN and can be obtained from the FPS office. The price is £7, including postage, for the volume complete; for loose sheets only, to fit in the old cover, £5.25.
