## Editors

Ulrich Pagel, School of Oriental and African Studies, UK  
Konrad Hirschler, School of Oriental and African Studies, UK

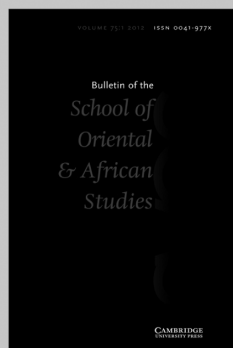

The *Bulletin of the School of Oriental and African Studies* (BSOAS) is an international journal publishing research and reviews in the arts, humanities, law and languages relating to Africa and Asia. BSOAS is distinguished by the quality of its scholarship and the range of its coverage. BSOAS welcomes submissions on the history, religions, languages, literatures, laws, artistic cultures, and related fields pertaining to the societies and countries of Asia and Africa. Authors are encouraged to write in such a way that they be understood by interested non-specialists. As well as research articles, BSOAS publishes short notes and communications, obituaries of significant scholars, and review articles that situate important new publications in their wider scholarly context. BSOAS also has a comprehensive section where new publications are reviewed or, when appropriate, more briefly noted.
