The Proceedings of The Nutrition Society contain a full record of papers and discussions at the Scientific meetings of the Society held from its formation in 1941 up to the end of 1946. Volumes 1-4, containing reports of meetings held during 1941-1945 have been published. The first double number of Volume 5, recording meetings held during 1946, is also out and the other two numbers will be published shortly. In all, reports will be available of 37 Scientific Conferences of the Society, covering a wide range of topics in most fields of Nutrition. With the completion of Volume 5, the Proceedings will cease appearing separately and will be merged in the British Journal of Nutrition, published by the Cambridge University Press.
