

The Nineteenth Century Short Title Catalogue

PHASE I · 1801-1815

The NSTC series will cover the period 1801-1918 in three phases: 1801-15, 1816-70 and 1871-1918. It will list with increasing completeness all works of the period published in the United Kingdom, its colonies and the USA, all books published in English anywhere in the world, and all translations from English. Each phase will be initiated by a hard copy union catalogue listing of relevant books held in the Bodleian Library, the British Library, the University Library, Cambridge, the Library, Trinity College, Dublin, the National Library of Scotland and the University Library, Newcastle. The primary listing in each volume will be in author order with complete subject and place of imprint indexes appended. Each of these initial sets will be concluded by volumes listing works under general headings on the model of the ENGLAND volumes of the British Library Catalogue. Relevant works listed under authors in the other library catalogues will also be interfiled in this sequence. To assist in location of materials concealed in the complex sub-headings of this form of entry, every title will be rearranged into an alphabetical sequence, which will be appended to the volumes in the form of microfiche indexes.

The combination of hard copy listings by author, subject and place of imprint, and by title on fiche, will provide a unique research resource for perhaps the most important period in the history of the English speaking peoples.

Order Information The 1801-1815 section of the NSTC will appear in five volumes: Volume I, Authors A-C; Volume II, Authors D-H; Volume III, Authors I-Q; Volume IV, Authors R-Z; (Volumes I-IV each contain an index of all books listed by subject and place of imprint); Volume V, General Sections: Directories, England, Ephemerides, Ireland, London, Periodical Publications and Scotland. (Volume V will contain an index of all books listed by subject and place of imprint, and a fiche rearrangement of the full text in alphabetical order of the titles). The first volume will be published on 1st February 1984. The price of each volume of this phase is £175.00.
