Proceedings of The Nutrition Society

The publication of the PROCEEDINGS OF THE NUTRITION SOCIETY *in extenso* at the present time rather than later is regarded as a matter of urgent importance. The realization of the wish to do this has been made possible by the Royal College of Physicians, to whom The Nutrition Society owes its gratitude.

The PROCEEDINGS of the English Group of the Society are edited by Miss E. M. M. Hume, Lister Institute, Chelsea Bridge Road, London, S.W.1, and Dr. S. K. Kon, National Institute for Research in Dairying, University of Reading, and of the Scottish Group by Professor E. W. H. Cruickshank, Department of Physiology, Marischal College, Aberdeen, Miss W. M. Deans and Dr. I. Leitch, Rowett Research Institute, Bucksburn, Aberdeenshire; Hon. General Editor, Dr. S. K. Kon.

Information regarding the objects of The Nutrition Society and particulars of membership may be obtained from the Hon. Secretary of the Society, Professor S. J. Cowell, University College Hospital Medical School, University Street, London, W.C.1, or, by those resident in Scotland, from the Hon. Secretary of the Scottish Group, Dr. J. A. B. Smith, Hannah Dairy Research Institute, Kirkhill, Ayr.

Requests for back numbers of these PROCEEDINGS, and payments, should be addressed by MEMBERS to the Hon. Treasurer, Mr. A. L. Bacharach, 26 Willow Road, London, N.W.3.

All other subscriptions to these PROCEEDINGS should be addressed to Messrs. W. Heffer and Sons, Limited, Cambridge, England.

The Notices to those reading Papers and taking part in Discussions at Meetings of the Society have been omitted for lack of space. For these see pp. 2 and 3 of Cover, Volumes 1, 2 and 4.
