

LUCRETIUS : DE RERUM NATURA

Translated by R. C. TREVELYAN 8s. 6d. net

The translation is into blank verse of a flexible, modern form. The translator's aim has been to render Lucretius' arguments with the utmost clarity and accuracy, and to emphasize the organic unity of the famous "Poetic" passages with the rest of the poem.

"I salute Mr R. C. Trevelyan for translating the whole of Lucretius.
. . . I do not know as good a verse translation into English."
Sir John Squire in the *Daily Telegraph*.
