
Aims and Scope

The *Journal of Radiotherapy in Practice* is a peer-reviewed journal covering all of the current modalities specific to clinical oncology and radiotherapy. The Journal aims to publish quality research from a wide range of styles and encourage debate and the exchange of information and opinion from within the field of radiotherapy practice and clinical oncology. The Journal also aims to encourage technical evaluations and case studies as well as equipment reviews that will be of interest to an international radiotherapy market.

The *Journal of Radiotherapy in Practice* aims to provide an easily available forum for education matters by publishing regular high-standard Continuing Professional Development articles.

Publisher

Dan Edwards, Commissioning Editor, Cambridge University Press, Journals, University Printing House, Shaftesbury Road, Cambridge CB2 8BS, UK.
