

## NEWS FOR THE ASSOCIATION

Due to technical difficulties the ASN business meeting could not be held at the AAASS annual convention in Monterey, California in 1981. Therefore, it will be held during the AAASS convention in Washington, D.C. on October 15, 1982. The time and place will be announced in the Program of the convention. ASN Executive Members, Members at Large, as well as members of the Association are urged to be present at the meeting. The report of the executive officers and the election of the new Board of Executives will be on the agenda of the meeting.

ASN proposed two sessions for the 1982 convention:

- (1) "Soviet Nationalities Studies in the United States: Progress, Problems, and Prospects."
- (2) "Eastern Europe National Minorities, 1919-1980: Conflicts and Solutions."

ASN members are urged to attend these sessions which reflect the Association's interest in the areas of its main academic concern.

The Executive Board of the ASN appeals to the membership to support the Association's activities and its publications. Also, financial support in the form of life memberships and donations, which are tax deductible, are sought from our generous patrons. The initiative to place *Nationalities Papers* on standing order with your respective libraries offers still another means in making an effective ASN contribution to Western scholarship for years to come.
