

FROM GINN & COMPANY'S LIST.

COLLEGE SERIES OF GREEK AUTHORS.

This Series—as well as the College Series of Latin Authors—includes not only those Classics most commonly read in high schools and colleges, but also certain others that seem suited to such use. Each volume has been specially edited and equipped with an Introduction, a Commentary, and other aids that set before the student a clear and scholarly criticism of the author studied. The Notes at the foot of each page are carefully chosen with reference to the actual needs of the student. The books are uniformly bound in cloth, and are 12mo in size. Large Person type is used in the Greek Texts.
