# Broadcast network model of pulsars as beacons of extraterrestrial civilizations— ERRATUM

---

Emir Haliki

---

<https://doi.org/10.1017/S1473550418000459>, Published by Cambridge University Press, 11 December 2018.

In the above article, (Haliki, 2018) there are two misprints in the references section. In the references Chennamangalam et al. 2015. 34, 245–249 and Mathur et al. 2001. 6, 321–329, the name of the journal was New Astronomy rather than New Astrophysical.
